## **HSF2150**

### **Arctic Pearl Frost Ash**

**SATILIFE**

Reproduces premium high-latitude ash timber from Arctic Norway, featuring translucent pure pearl frost white shade, ultra-faint smooth linear grain and cloud-like silky matte surface.

## **HSF2151**

### **Voss Sage Mist Oak**

**SATILIFE**

Eproude wild mountain oak timber from Norway's Voss highlands, featuring delicate mist sage-washed pale herbal shade, distinct symmetrical circular wood eye knots and soft layered winding grain with fog-like silky matte finish.

## **HSF2152**

### **Baltic Driftwood Grey Oak**

**SATILIFE**

Replicates naturally weathered coastal oak from Germany's Baltic shoreline, featuring muted washed ash-grey hue, authentic subtle timber fissures and soft low-profile grain with matte rustic finish.

## **HSF2153** **Amazonian Bordeaux Deep** **Teak**

**SATILIFE**

Replicates luxury old-growth teak timber circulated in Bordeaux timber market, featuring rich deep chocolate brown shade, elegant layered swirling teak grain and noble vintage matte finish.

**HSF2154**

**SATILIFE**

## **Jura Sandstone Neutral Oak**

Replicates mild mountain oak timber from the cross-border Jura Mountains of France and Switzerland, featuring calm soft sandstone beige shade, smooth rounded gentle grain and faint tiny natural wood eyes with silky matte finish.

## HSF2155 Appalachian Smoked Shadow Walnut

Appalachian Smoked Shadow Walnut replicates naturally air-smoked premium walnut timber from ancient Appalachian forests in Eastern America, featuring deep muted smoky charcoal shade, delicate long layered continuous grain and subtle refined wood eyes with matte smoked vintage finish.
